Oversize Handcuff Key

A high quality extra large key designed to make double locking and unlocking restraints faster and easier. The extra long aluminum barrel is oversized and knurled for lighter weight and easy handling. The flag tip and double lock pin are made from heat treated alloy steel for high strength and durability. Compatible with all standard type handcuff locking mechanisms. Available in silver and black finish. Comes with a key ring and lifetime warranty for manufacture defects.

Oversize key shown actual size.

Standard Handcuff Key

Standard size handcuff key. Small and lightweight. Compatible with all standard type handcuff locking mechanisms.

All Peerless® products are backed by our lifetime guarantee for manufacture defects, assuring you of the highest quality material and workmanship.

When you want restraint devices that you can depend on, you want Peerless®.
