

Model 703 Leg Iron

The Model 703 Leg Iron features all steel construction, spun rivets and a rust resistant nickel finish. It is made to meet or exceed the National Institute of Justice standards for workmanship, mechanical strength, tamper resistance and corrosion resistance. Machined edges minimize the risk of tissue and nerve injuries. The 15” chain effectively limits range of motion. Double locking with two keys supplied. Also available with high security lock set up as Model 703HS. Lifetime warranty for manufacture defects. Made in USA.
