

# Peerless® Handcuff Company

ESTABLISHED 1914

## Hinged Handcuff

Double Locking • Two Keys Supplied • Made in USA

### Model 801C, 802C & 850C

The hinged design provides additional restraint by more effectively restricting hand and arm movement. These models incorporate spun rivet construction and push pin double lock capability.

Model 801C

### Hinged Style for Restricting Hand and Arm Movement!

The Model 801C features push pin double lock mechanism, smooth ratcheting action, spun rivet construction and a lifetime warranty for manufacture defects. Two keys supplied. The Model 801C and 850C are National Institute of Justice 0307.01 certified. Available in the following finishes: nickel, black oxide, red, blue, orange, yellow and pink. Made in USA.

All Peerless® products are backed by our **lifetime guarantee** for manufacture defects, assuring you of the highest quality material and workmanship. When you want restraint devices that you can depend on, you want Peerless®.

### HINGED HANDCUFF
