# Peerless® Handcuff Company

### **ESTABLISHED 1914**

## **Transport Chains**

Double Locking • Two Keys Supplied • Made in USA

#### Model 7002C Waist Chain - Separated Cuffs / 54" Chain

Designed for special security situations. Waist Chain has one NIJ approved Model 700C handcuff positioned at each hip allowing for either parallel arm or cross arm handcuffing. The special 54" heat treated steel chain includes padlock rings for waist size adjustments.

#### Model 7002C-XL Waist Chain - Separated Cuffs / 72" Chain

Same design as the Model 7002C with added chain (72") for larger waist size adjustments.

#### Model 7002C-OS Waist Chain - Separated OS Cuffs / 54" Chain

Same design as the Model 7002C with oversize handcuffs positioned at each hip.

#### Model 7003C Waist Chain - Linked Cuffs / 54" Chain

Designed for special security situations. Waist Chain has one NIJ approved Model 700C handcuff positioned at the navel allowing for limited use of the hands. The special 54" heat treated steel chain includes padlock rings for waist size adjustments.

#### Security Chain - PSC60 & PSC78

Designed for corrections, transport and courtroom situations. When used in conjunction with a set of handcuffs, this simple chain quickly converts into a secure waist restraint. The specially designed end link is compatible with all commonly used handcuffs - Chain Link or Hinged. The end link can also be slotted into any link on the chain and will fit "Black" and "Blue" style security boxes. Available in 60" and 78" length.

All Peerless® products are backed by our **lifetime guarantee** for manufacture defects, assuring you of the highest quality material and workmanship. When you want restraint devices that you can depend on, you want Peerless®.
